

Andersia Tower welcomes first guests

■ **POLAND** The opening ceremony has taken place for the Andersia Tower. It was developed by the Von der Heyden Group, which is the joint investor of the project in partnership with the city of Poznań. There is to be a four-star hotel with 171 rooms in the 20-storey building, as well as a conference centre, 4 banqueting halls, shopping and office space. The building will contain a utility space of 35,000 sqm and have a volume of 184,846 cubic metres.
